FROM : Associate Coordinator for Academic Relations, NFAC

SUBJECT : Academic Relations Biannual Report

1. Attached is a preliminary draft of the biannual report for NFAC academic relations during the period 1 July through 31 December 1978. It was compiled from records and information in the academic coordinator's files. Many activities carried out independently by individual offices, therefore, are not included.

2. Please provide any additional information about activities that are not listed. Some offices, for instance, regularly send out copies of unclassified reference aids to academics and frequently play host to academic visitors. Also, please report any of your people teaching at academic institutions. Please convey any additional information to me either orally (x7848) or in writing by 1 February 1979.
